A Million Girl Revolution Combating Violence Against Girls

Just Yell Fire Campus Life takes on the threats young women face at college: dating abuse, sexual assault, date rape drugs, and violence on and off campus. The film spotlights each of these risks, delivers a Dating Bill of Rights, and empowers girls to get away if trouble finds them with some simple street fighting techniques. An eye gouge, a strategic bite or an ear slap by a girl who knows it's okay to stand up for herself stops the violence – one girl at a time.
